

Oxborough Lakes, Oxborough, Norfolk

How to find us

From the A134 at Stoke Ferry take the turn to Oxborough, follow the road to Oxborough and the Entrance to the Lakes is on the Swaffham Road in Oxborough. Post Code for sat nav PE33 9PS.

Swim Facts

Set in picturesque countryside the Specimen lake is 4 acres and has 15 pegs with plenty of space between pegs. All the fish in the Specimen lake were stocked at 10lb plus with some fish around 20lb. as the lake matures the fish will be of a larger size. The smaller 1 acre lake has just 16 pegs and contains fish of a smaller stamp, up to 8lb, and is ideal for pleasure or match fishing.

How to catch

All normal methods of carp fishing will catch fish and as the fish have never been fished for there are currently no popular methods or baits, we will update once we have been open for some weeks.

What's Banned

Barbed hooks are not permitted, No fixed leads or bolt rigs, No keepnets or sacks, all fish to be returned immediately. **Un hooking mats to be used.**
